16, 2004 official Communication and Supplementary European Search Report in connection with corresponding European Patent Application No. EP 02 71 0492.

A first Office Action has not been received in connection with the subject application. Accordingly, pursuant to 37 C.F.R. §1.97(b)(3), Applicant believes that the present Information Disclosure Statement is being timely filed and no fee or certification is due or required.

However, in the event that a first Office Action has been mailed but has not yet been received by Applicants or connected with the application file in the undersigned attorney's office, Applicant hereby requests, pursuant to 37 C.F.R. §1.97(c)(1), consideration of this Information Disclosure Statement.

Applicant certifies, pursuant to 37 C.F.R. §1.97(e)(1), that each item of information contained in this Information Disclosure Statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Information Disclosure Statement. The date of mailing of the Communication enclosing the Supplementary European Search Report is March 16, 2004, and therefore this Information Disclosure Statement is being timely filed, pursuant to 37 C.F.R. §1.97(c)(1).

Further, pursuant to 37 C.F.R. §1.704(d), Applicant states that each item of information contained in this Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart application and that this communication was not received by any individual designated in § 1.56(c) more than thirty days prior to the filing of this Information
